CAREER OBJECTIVE

Motivated Computer Science graduate with strong knowledge of Python, Java, web technologies, and database fundamentals. Skilled in problem-solving, application development, and programming concepts, seeking a Junior Software Developer position to apply technical skills, learn new technologies, and contribute to organizational growth.

EDUCATION

Helapuri Institute Of Technology And Science **2022–2026**
B.Tech in Computer Science and Engineering Eluru, A.P
CGPA: 7.3

Government Junior College **2021–2022**
M.P.C Polavaram, A.P
CGPA: 8.0

Z.P.P.H. School **2020**
S.S.C Gutala, A.P
CGPA: 9.2

TECHNICAL SKILLS

Programming Languages: Python, Java
Web Technologies: HTML, CSS, JavaScript
Database: MySQL
Frameworks: Flask
Blockchain: Hyperledger, Ethereum

SOFT SKILLS

Problem Solving — Quick Learning — Time Management

PROJECTS

ONLINE EXAM MANAGEMENT SYSTEM **AUG 2026**
Technologies: Python, JSON, File Handling

- Developed a Python-based online examination management system for conducting exams and managing student examination activities.
- Implemented features to view available exams, attend examinations, submit answers, calculate scores, and display percentage results.
- Used modular Python programming and JSON file handling to store and manage exam, question, user, and result data efficiently.
- Designed the student module with separate functionalities for exams, questions, results, and data management.
- **Project Demo:** https://drive.google.com/file/d/193Sk-KNxyBRRYvdwtoTnIfzsbH51KL-U/view?usp=sharing

BLOCKCHAIN-BASED CERTIFICATE VALIDATION SYSTEM **APR 2026**
Technologies: Python, HTML, CSS, JavaScript, Hyperledger, Ethereum, MySQL

- Developed a secure digital platform for issuing, storing, and verifying academic certificates using blockchain technology.
- Implemented a tamper-resistant verification process to reduce certificate forgery and unauthorized modification.
- Integrated Python, web technologies, blockchain, and MySQL for secure certificate management.

INTERNSHIP

CSC ACADEMY **APR 2025 – JUN 2025**
Python Programming & Application

- Completed 580 hours of structured training in Python Programming and Application Development.
- Successfully completed the program with an 85% assessment score and Grade A.
- Gained hands-on experience in Python programming, problem solving, application development, file handling, exception handling, and data structures.

CERTIFICATIONS

Junior Software Developer – DDU-GKY **OCT 2025**
Python Programming and Applications – CSC Academy **APR 2025**
Java Programming – CSC Academy **APR 2024**
